- Product Portfolio – Wide range of premium and specialty Myanmar rice varieties
- Market Scope – Delivering trusted Myanmar rice to customers worldwide, meeting their diverse needs.

Mission, Vision & Core Values

MISSION

To deliver premium-quality Myanmar rice to global markets with a commitment to freshness, authenticity, and sustainable farming. By supporting local farmers and meeting the evolving needs of customers worldwide, we bridge Myanmar's rich agricultural heritage with modern market demands—building lasting trade relationships founded on trust and quality.

VISION

To become a global leader in Myanmar rice exports by setting the benchmark for quality, innovation, and responsible trade—empowering farmers, enriching communities, and ensuring Myanmar rice earns its place on tables around the world.

CORE VALUES

- Quality First – We uphold the highest standards from paddy to packaging.
- Integrity – Honesty and transparency guide all our dealings.
- Sustainability – We promote eco-friendly farming and fair, ethical sourcing that benefits local farmers.
- Partnership – We value long-term relationships with farmers, buyers, and stakeholders, ensuring mutual growth and fair returns.
- Innovation – We continuously improve processes to meet evolving global needs.

About Us

Since our beginnings in 2008 as a local rice and edible oil distributor, Wing Dragon Myanmar has steadily grown into a leading exporter of premium Myanmar rice. Our journey reflects a strong commitment to expanding our sourcing network, mastering logistics, and investing in quality-driven milling operations.

Starting from a single rice mill, we have expanded to operate three modern facilities — the latest and largest added in 2025 — raising our production capacity to 15,000 metric tons per month. Equipped with state-of-the-art Sortex and polishing machines, our mills produce clean, export-grade rice that meets strict international standards. This growth reflects our commitment to delivering consistent quality and reliable supply to our global customers.

Our fully integrated supply chain covers every step—from paddy sourcing and milling to packaging and export—enabling us to deliver consistent quality, competitive prices, and reliable, timely shipments to our global partners.

Today, Wing Dragon proudly supplies rice to markets in China, Vietnam, Africa & select European countries. With demand growing steadily, our dedicated sales team is actively expanding into new regions to bring authentic Myanmar rice to more tables worldwide.

We remain committed to excellence, sustainability, and building lasting partnerships as we expand our global footprint.
